EXPERIENCE

Generation Thailand (JSD Bootcamp) **July 2026 – October 2026**

Junior Software Developer Student (Full-Stack Trainee) *Bangkok, Thailand*

- Completed 4 months of intensive full-stack software development training focusing on modern web development practices.
- Mastered MERN Stack (MongoDB, Express, React, Node.js) and Tailwind CSS to build scalable and responsive web applications.
- Cultivated professional behavioral skills including agile teamwork, growth mindset, focus mastery, and proactive problem-solving.

PH Capital Company Limited **June 2023 – September 2024**

Shift Manager *Bangkok, Thailand*

- Led daily shift operations, supervising and coordinating team members to ensure optimal workflow efficiency, high service standards, and target achievements.
- Handled real-time problem solving, customer relations, and inventory management while maintaining operational compliance and quality control.
- Demonstrated strong leadership, decision-making, and conflict resolution skills under fast-paced working environments.

Versatile Haus **March 2023 – May 2023**

Front End Developer *Bangkok, Thailand*

- Designed and developed responsive frontend website templates for over 15 client projects tailored to specific business requirements.
- Executed Quality Control (QC) and systematically debugged cross-browser issues to ensure optimal performance across all deployed web templates.

Versatile Haus **March 2021 – September 2021**

Graphic Design Intern *Bangkok, Thailand*

- Designed website layouts, banners, e-commerce product visual assets, and promotional materials using Adobe Illustrator.
- Applied UI/UX design principles to enhance visual hierarchy and brand consistency across web applications.

Topview Point Co., Ltd. **October 2019 – February 2020**

IT Support Intern *Phrae, Thailand*

- Provided hardware repair, routine maintenance, and software installation for more than 100 workstation units over a 6-month period.
- Managed bulk IT setups and deployments, including assembling 20 custom desktop PCs for municipal clients and servicing educational computer labs.

PROJECTS

Atelier De Flora (E-Commerce Web Application) **In Progress (2026)**

Full-Stack Project | Role: Lead Frontend & UI Developer *GitHub: github.com/WithawatP*

- Developing a custom floral e-commerce platform featuring interactive custom flower bouquet building and individual flower purchasing.
- Utilizing MERN Stack (MongoDB, Express, React, Node.js) and Tailwind CSS to implement intuitive UI navigation and seamless user workflows.
- Architecting responsive design structures while acquiring holistic full-stack development knowledge for database and backend integration.

EDUCATION

Phrae Technical College **May 2022 – March 2024**

Higher Vocational Certificate in Computer Technique (GPA: 3.20) *Phrae, Thailand*

- Coursework: Web Development & Full Stack (HTML, CSS, JavaScript, PHP, MySQL), Infrastructure Computer Networking.

Phrae Technical College **May 2020 – March 2022**

Vocational Certificate in Computer Technique (GPA: 3.27) *Phrae, Thailand*

- Coursework: Web Development & Full Stack (HTML, CSS, JavaScript, PHP, MySQL), Infrastructure Computer Networking.

LEADERSHIP & ACTIVITIES

Computer Club, Phrae Technical College **June 2023 – March 2024**

Club Member *Phrae, Thailand*
